

CHAMPIONS for LIFE

○ How can I be a life changing Champion?

- Stay connected and up to date with APS and share regular updates with your church!
- **Prayer matters!** Pray for APS clients and ministry and share prayer requests with your church.
- Lead a team at your church to partner with APS through our Baby Bottle Program, Giving Tree, and Walk for Life!
- Your involvement **changes lives!** Invite APS to visit your church, as sharing about the ministry expands the support for the moms and dads who come for help.

○ Connect APS to my Church or Group:

Sanctity of Life

Sanctity of Human Life Sunday recognizes the Roe v. Wade decision legalizing abortion on demand in the U.S on January 22, 1973. SOHLS is held annually to celebrate God's gift of life and mourn over 63 million lives lost due to abortion in the U.S. Arrangements can be made for an APS speaker to share more with your church.

Baby Bottles

Baby Bottle Boomerang is an interactive and family - friendly way to raise awareness and money for APS. Baby bottles are handed out at your church after an introduction by an APS representative. Participants collect with change, cash and checks and return the filled bottles to church. APS will provide a special thank you that will include the total raised after all the donations are counted.

Walk for Life

Walk for Life is held annually the Saturday after Mother's Day. The Walk is an opportunity for individuals to raise funds in support of APS by collecting sponsorships. This powerful time of fellowship is a great way to involve your church, family, and friends as we pray, worship, and walk together.

Giving Tree

Giving Tree spreads the joy of Christmas and the love of Christ while helping those we serve. Tell us how many gifts your group can contribute, and we will provide labels with items we need for you to put on ornaments on your tree. Church members remove an ornament, purchase the gift or gift card, then attach the ornament as a name tag. The gifts are returned to APS to share with the families who come to APS for pregnancy and parenting support.

Our Mission

"To provide our communities with education and support in unplanned pregnancy, sexual lifestyle and sanctity of human life from a Biblical Worldview."

○ How can I encourage others to be involved?

Volunteer

APS volunteers make an impact in the lives of moms and dads who come to APS for pregnancy and parenting support. You can be involved by becoming a client advocate, organizing and stocking material goods, help with mailings, and much more! Volunteer training is offered throughout the year and is required for anyone called to be a client advocate.

Baby Shower

Hosting a baby shower is a great opportunity to fellowship and collect baby items for our client families. Material needs can be an obstacle to a woman choosing life for her baby. Donations of clothing, diapers, and other necessary items eliminate parenting barriers. Our clients' "Earn to Learn" program encourages engagement and dignity in sharing resources.

Prayer

- Join us for prayer every 2nd, 3rd, and 4th Tuesday at Noon at The Robinson House.
- Sign up for our E-News.
- Join our prayer intercession team and receive updates by email.
- Share monthly prayer requests with your church or group.

Social Media

-  APS Friends
